Bermuda Collectors Society Mail Bid Sale
(Friday) July 31, 2009

We have the pleasure pf presenting the 2009 BCS Mail Sale, after much work, in presenting a large and comprehensive sale covering practically every aspect of Bermuda stamps and postal history over every reign and with material for all tastes and budgets. Our goal is always to provide this service to members as a viable way for consignors to achieve high prices for their material while allowing buyers to have a source for the quality specialized items that often appeal to them, but that is usually hard to come by at typical shows or in dealer offerings. We hope you enjoy the present sale and submit scores of bids as this will hopefully benefit your collections while helping the society to accumulate funds in the treasury that will benefit all of us in the future. Thank you.
